JESSE M. FURMAN
United States District Judge

The Court's calculation of the prejudgment interest appears to differ slightly from the parties' calculation. *See* ECF No. 25. If either party believes the Court should amend the judgment, it should confer with the other party and seek such relief from the Court (showing the party's calculations).

The Clerk of Court is directed to terminate ECF No. 15 and to close this case. All conferences are canceled. All motions are moot.
